

# Truth

Todd Rundgren

I'm gonna find it, I'm gonna find the truth  
Because it ain't here, it's nowhere near  
I gotta find it, I gotta find the truth  
If I lose my mind, well I don't care

The truth is in plain contradiction (yeah)  
The truth is not in this situation (yeah)  
The truth is it's my only salvation (yeah)  
The truth is  
The truth is  
The truth is  
The truth is not here

I tried to find it looking in the works of man  
And if it's in there, well it's sure not clear  
I thought I saw it somewhere in a starry sky  
And if it's up there, well I'm stuck down here

The truth is like chasing a phantom (yeah)  
The truth is so seemingly random (yeah)  
The truth is not easily handled (yeah)  
The truth is  
The truth is  
The truth is  
The truth is not here

The truth is stranger than fiction  
The truth is stranger than fiction  
The truth is stranger than fiction  
The truth is stranger than fiction

I gotta find the truth  
If I have to stand all day in the bright sunshine  
I gotta find it, I'm gonna find the truth  
If I have to dance all night, leave my body behind

Because the truth is never gonna look for me  
I will never get to see what I have not earned  
And the truth is, if that day should never come  
That doesn't mean I was wrong to try to capture that bird

Sweet bird of truth, come to me  
Sweet bird of truth, come to me  
Sweet bird of truth, come to me  
Sweet bird of truth, come to me  
Sweet bird of truth, come to me  
Sweet bird of truth, come to me  
Sweet bird of truth, come to me  
Sweet bird of truth, come to me
