

# Enjoy Yourself

Todd Snider

Enjoy yourself, it's later then you think  
Enjoy yourself, while you're still in the pink  
The years go by, as quickly as a wink  
Enjoy yourself, enjoy yourself, it's later then you think

You work and work  
For years and years  
Your always on the go  
You never take a minute off  
To busy making dough

Someday you say, you'll have your fun  
When your a millionaire  
Imagine all the fun you'll have  
In some old rocking-chair

Oh, enjoy yourself, it's later then you think  
Enjoy yourself, while you're still in the pink  
The years go by, as quickly as a wink  
Enjoy yourself, enjoy yourself, it's later then you think

Your gonna take that ocean trip  
No matter come what may  
You got your reservations  
But you just can't get away

Next year for sure you'll see the world  
You'll really get around  
But how far can you travel  
When you're six feet underground?

Enjoy yourself, it's later then you think  
Enjoy yourself, while you're still in the pink  
The years go by, as quickly a as wink  
Enjoy yourself, enjoy yourself, it's later then you think  
Get out and see the world

You worry when the weather's cold  
You worry when it's hot  
You worry when you're doing well  
You worry when you're doing not

It's worry, worry all of the time  
You don't know how to laugh  
They'll think of something funny  
When they write your epitaph

Ah, enjoy yourself, it's later then you think  
Enjoy yourself, while you're still in the pink  
The years go by, as quickly as wink  
Enjoy yourself, enjoy yourself, it's later then you think  
Enjoy yourself, enjoy yourself, it's later then you think
