

# Rocket Fuel

Todd Snider

Rocket fuel  
Rocket fuel  
Buddy I'm runnn' on rocket fuel  
Flyin' high and feelin' cool  
Buddy I'm running

My mom works  
My dad's gone  
I skip school here all day long  
Burn my brains out singin' this song  
Doors wide open with the TV on

Rocket fuel  
Rocket fuel  
One more shot of that rocket fuel  
I don't need work  
I don't need school  
I'm running like a rocket

Down the road  
Way out there  
No one waits because no one cares  
I'm gonna get my kicks while I still don't care

Rock and roll  
Rock and roll  
You don't care if I sell my soul  
You move me like a holy roll  
Running on rocket fuel

Rocket fuel  
Rocket fuel  
One more shot of that rocket fuel  
I don't need work  
I don't need school  
I'm running like a rocket
