

# Too Soon To Tell

Todd Snider

Low, grey clouds rollin' over my head  
I'm walkin' up a hill to get my fortune read  
I can still take rejection but it does get harder to do  
I wish I could show you how you've hurt me  
In a way that wouldn't hurt you too

Tennis shoes hangin' from a telephone wire  
I've got a little money; I could get a little higher  
I was alright awhile, but you know how it goes  
Everything in moderation, including moderation I suppose  
I never did like the people where I was employed  
They was always out to get me 'cause I'm paranoid  
Now I'm workin' for myself  
And that don't pay a lousy dime  
If what we're here to do is learn to forget  
I'm gonna need more time

It's too soon to tell, too soon to tell  
It's too soon to tell, too soon to tell  
It's too soon to tell, too soon to tell  
By and by

It's too soon to tell what's gonna happen to you when you die  
It's too soon to tell what we'll ever avenge  
They say that living well is the best revenge  
I say bullshit, the best revenge is to win  
This isn't over, we're going to meet again

And good Lord if you're up there, you sure got some nerve  
Seems like even the wicked get worse than they deserve  
We're afraid to die every goddamn one of us  
I swear to God it's like you're makin' fun of us  
Not worth keepin', or too good to keep  
You got a better kinda secret, better wait til I'm asleep  
And if you're so God almighty then what's with all this mystery?  
Yes I wanna trust ya buddy, but you're clearly keeping secrets from me

It's too soon to tell, too soon to tell  
It's too soon to tell, too soon to tell  
It's too soon to tell, too soon to tell  
By and by

It's too soon to tell what's gonna happen to us when we die

At the fortune teller's on the second floor  
In bright red letters hangin' off of the door  
It said "closed", I think it might've been some kinda sign  
Don't give up on me baby; I think I could be losin' my mind  
I've just met too many people that I love too much  
They're scattered all over; I could never stay in touch  
With travellin', almost forever it seems  
You too will wake up one morning with a lot more memories than dreams

Low, grey clouds rollin' over my head  
I'm walkin' down the hill without my fortune read  
I can still take rejection but it does get harder to do  
I wish I could show you how you'd hurt me

In a way that wouldn't hurt you too  
I wish I could show you how you'd hurt me  
In a way that wouldn't hurt you too
