Forgotten Children

Tokio Hotel

Just a normal day Streets turn into graves Traces have been removed The search was disapproved

So cold the night The weak ones lose the fight So many of them out there No one seems to care

Lost and so alone Born but never known Left all on their own Forgotten children

We'll never hear a name They carry all the blame Too young to break the chains Forgotten children

They see, they feel Believe, just like we do They're laughing and crying Wanna live here like me and you

Eyes without light, too tired of goodbyes Never felt embraced And frightened of every face A life in disguise, hope forever died

Lost and so alone Born but never known Left all on their own Forgotten children

We'll never hear a name They carry all the blame Too young to break the chains Forgotten children

They see, they feel Believe, just like we do They're laughing and crying Wanna live here, like me and you

It shouldn't really be that way It shouldn't really be that way

We see, we feel Believe just like you We're laughing and crying Wanna live here

We see, we feel Believe just like you We're laughing and crying Wanna Tive here, just like you
