Love & Death

Tokio Hotel

I can give you, you can give me Something, everything You are with me, I'm with you Always, join me In Love and death Love and death Don't you mess, Don't you mess, With my heart Love and death Love and death Don't you mess Don't you mess With my heart With my heart With my heart Fragile pieces Don't regret the sorrows That we've seen Take it with us Step into to my world Join me in Love and death Love and death Don't you mess Don't you mess With my heart Love and death Love and death Don't you mess Don;t you mess With my heart With my heart With my heart All the pain that we've been through I'm dying to save you Feel the blood in my veins flow I've been dying to save you I've been watching you swim I'll just see you drown As a tragedy of comedy With my heart With my heart Love and death Love and death Don't you mess Don't you mess With my heart Love and death Love and death

Don't you mess Don't you mess With my heart

Love, death Love, death
