

# Love Is Dead

Tokio Hotel

I hold your letter in my frozen hand  
The last line was long as long as it burns my look carries on  
With every word another feeling dies  
I'm left here in the dark  
No memories of you  
I close my eyes

It's killing me  
We die when love is dead  
It's killing me  
We lost a dream we never had  
The world in silence should forever feel alone  
Cause we are gone & we will never overcome  
It's over now

Vultures are waiting for what's left of us  
What can we take?  
It all has no worth if we lose our trust  
They're coming closer, want me & you  
I can feel their claws  
Let me go now  
Try to break free

It's killing me  
We die when love is dead  
It's killing  
We lost a dream we never had  
The world in silence should forever feel alone  
Cause we are gone & we will never overcome  
It's over now  
Now, now  
It's over now  
Now, now,  
It's over now  
It's over now  
It's over now

Vultures are waiting for what's left of us  
Taking the last of you & the last of me.

It's killing me  
We die when love is dead  
It's killing me  
We lost a dream we never had  
The world in silence should forever feel alone  
Cause we are gone & we will never overcome  
It's over now  
Now, now  
It's over now  
Now, now  
It's over now  
It's over now
