Monsoon

Tokio Hotel

I'm staring at a broken door There's nothing left here anymore My room is cold, it's making me insane

I've been waitin' here so long Another moment seems to have come I see the dark clouds comin' up again

Running through the monsoon Beyond the world 'til the end of time Where the rain won't hurt Fighting the storm into the blue

And when I lose myself I think of you Together we'll be running somewhere new Through the monsoon just me and you

A half moon fading from my sight I see your vision in it's light But now it's gone and left me so alone

I'll know I have to find you now Can hear you name and don't know how Why can't we make this darkness feel like home?

Running through the monsoon Beyond the world 'til the end of time Where the rain won't hurt Fighting the storm into the blue

And when I lose myself I think of you Together we'll be running somewhere new And nothing can hold me back from you Through the monsoon, hey, hey

I'm fighting all this power coming in my way Let it take me straight to you I've been running night and day

I'll be with you soon just me and you We'll be there soon, so soon

Running through the monsoon Beyond the world 'til the end of time Where the rain won't hurt Fighting the storm into the blue

And when I lose myself I think of you Together we'll be running somewhere new And nothing can hold me back from you Through the monsoon
