

# Sacred

Tokio Hotel

I'm still awake for you  
We won't make it together  
We can't hide the truth  
I'm giving up for you now  
My final wish will guide you out  
Before the ocean breaks apart  
Underneath me  
Remember

To me you'll be forever sacred  
I'm dying but I know  
Our love will live  
Your hand above  
Like a dove  
Over me  
Remember  
To me you'll be forever sacred

You break the ice when you speak  
With every breath you take  
You save me  
I know that one day  
We'll meet again  
Try to go on as long as you can  
Even when the ocean breaks apart  
Underneath you  
Remember

To me you'll be forever sacred  
I'm dying but I know  
Our love will live  
Your hand above  
Like a dove  
Over me  
Remember  
To me you'll be forever sacred

Forever you  
Forever sacred  
Forever you  
You will be sacred  
In your eyes  
I see the hope  
I once knew  
I'm sinking  
I'm sinking  
Away from you

Don't turn around  
You'll see  
You can make it  
Never forget

To me you'll be forever sacred  
I'm dying but I know  
Our love will live  
Your hand above

Like a dove  
Over me  
And one day  
The sea will guide you  
Back to me  
Remember  
To me you'll be forever sacred  
To me you'll be forever sacred
