You get up and somebody tells you where to go to When you get there everybody's telling you what to do Thank you, it's been another bloody Monday And no one is asking what you wanted anyway

Scream, 'til you feel it Scream, 'til you believe it Scream, and when it hurts you Scream it out loud

Scream, 'til you feel it Scream, 'til you believe it Scream, and when it hurts you Scream it out loud

Watch out, stay awake, they're lurkin'
Obsess you, they are always workin'
Promisin', everything you never asked for
And one day it'll be too late and you beg for more

Scream, 'til you feel it Scream, 'til you believe it Scream, and when it hurts you Scream it out loud

Scream, 'til you feel it Scream, 'til you believe it Scream, and when it hurts you Scream it out loud

Back to zero, your time's about to come Let them know you're not just anyone Your time's about to come

Scream, 'til you feel it Scream, 'til you believe it Scream, and when it hurts you Scream it out loud

Scream, 'til you feel it Scream, 'til you believe it Scream, and when it hurts you Scream it out loud

Shut up
No, can't you feel it
No, don't you believe it
No, and when it hurts you
Scream it out loud

No, no, no, no, no Scream it out loud, scream
