

# Stop, Babe

Tokio Hotel

There's something in your eyes  
There's something 'bout you  
In your kitchen lights  
You can see all my wounds  
But I'm not ready to feel

Stop, stop  
Babe I'm not ready to love ya  
'Cause I'm not fully healed  
Stop, stop  
Babe I will leave California  
Yeah I am leaving for you  
Ooh-ooh  
'Cause all I do  
Ooh-ooh  
I do it for you

Way too many feels  
Don't waste 'em on me  
You are way too young  
To settle for real  
You know I like you a lot

Stop, stop  
Babe I'm not ready to love ya  
'Cause I'm not fully healed  
Stop, stop  
Babe I will leave California  
Yeah, I am leaving for you  
Ooh-ooh  
'Cause all I do  
Ooh-ooh  
I do it for you

But it's too good to be true  
Yeah, i'm so into you  
It's too good to be true  
Nothing's better than you  
Stop, stop  
Babe I'm not ready to love ya  
'Cause I'm not fully healed  
Stop, stop  
Babe I will leave California  
Yeah, I am leaving for you

Stop, stop  
Babe, I'm not ready to love ya  
'Cause I'm not fully healed  
Stop, stop  
Babe I will leave California  
Yeah, I am leaving for you  
Ooh-ooh  
'Cause all I do  
Ooh-ooh  
I do it for you

But it's too good to be true

Yeah, i'm so into you  
It's too good to be true  
Nothing's better than you
