

# Lucia

Tom Beck

When she's floating down the street  
Moving slowly looking sweet yeah  
Everybody turns around  
Listening to her catwalk sound  
City traffic standing still yeah  
You're just like a magic pill yeah  
You're the one who runs this town  
Beauty queen don't need no crown

Lucia  
You're the kind of girl for me  
Lucia  
And every time I close my eyes  
I see ya  
Sometimes you remind me of Cecilia  
You're breaking my Lucia  
When I wake up in the morning you're not there

When she's dancing to the beat yeah  
I just can't control my feet yeah  
Everyone can feel your groove  
Everybody stop to move yeah  
You are like the sweetest cake  
If I could that's what I'd bake yeah  
If I'd only have some luck  
You're the one I'd like to mmmh...

Lucia  
You're the kind of girl for me  
Lucia  
And every time I close my eyes I see ya  
Sometimes you remind me of Cecilia  
You're breaking my Lucia  
When I wake up in the morning you're not there

I'm taking you to bed at night  
Protect and guide you  
Hold you tight  
Lying close there by your side  
And dream until the morning light

Lucia  
You're the kind of girl for me  
Lucia  
And every time I close my eyes I see ya  
Sometimes you remind me of Cecilia  
You're breaking my Lucia  
You're the kind of girl for me  
Lucia  
And every time I close my eyes I see ya  
And I keep them shut  
That's why I keep them shut  
When I wake up in the morning you're not there
