Nice Guys Finish Last

Tom Beck

You had your hands all over me, there was no doubt where it was gonna lead , at least for me,
You said baby let´s go to your room, I got some dirty things I wanna do
But then you changed you tune
Why am I laying here all alone, with all the lights turned on and so am I baby
Why did you leave me with the pay TV and dreams of double Ds
I guess nice guys finish last or sometimes not all
I bet that you´re not single anyway –noway–, or maybe you forgot to tell me you were gay,
But that´s ok, hey-ey, it really doesn´t matter either way, cause I´m in so much pain,
it even hurts my brain
Why am I laying here all alone, with all the lights turned on and so am I baby
Why did you leave me with the pay TV and dreams of double Ds
I guess nice guys finish last or sometimes not all
That´s the kind of guy everyone wants me to be
But being that guy it´s really not working for me, it´s just working for me
Why am I laying here all alone, with all the lights turned on and so am I baby
Why did you leave me with the pay TV and dreams of double Ds
I guess nice guys finish
Why am I laying here all alone, with all the lights turned on and so am I baby
Why did you leave me with the pay TV and dreams of double Ds
I guess nice guys finish last or sometimes not all
Oh Oh Oh Oh Oh Oh Ohhhh
Sometimes not all
Oh Oh Oh Oh Oh Oh Ohhhh
Sometimes not all
Oh Oh Oh Oh Oh Oh Ohhhh
Sometimes not all
Oh Oh Oh Oh Oh Oh Ohhhh
Sometimes not allllllllllll
