Tom Beck

Time was running  
I keep on a hunting  
Longing for the one thing when you  
Were changing my world

That personal feeling  
This emotional healing  
Is a beat that you meaning

Uh... girl, you make me feel  
Sexy  
I don't know why you want me  
Oh woman  
You make me feel  
Sexy  
And after all this time  
I'm finally feeling fine

Wild as the ocean,  
Lost in emotion,  
I never had a bigger portion  
Of such a blow-out of lust,  
Now you say that you want me,  
You say that you need me,  
I'm gonna faint when you touch me!

Uh... girl, you make me feel  
Sexy,  
I don't know why you want me  
Oh woman  
You make me feel  
Sexy  
And after all this time  
I'm finally feeling fine

You make me feel  
Sexy  
I don't know why you want me  
Oh woman

You make me feel  
Sexy  
Ohh... I think  
I'd loose my mind

Got a feeling that you want me  
Got a feeling that you need me girl  
Got a feeling that you please me  
Got a feeling that you rock my world

Got a feeling that you want me  
Got a feeling that you need me girl  
Got a feeling that you want me

Uh... girl, you make me feel  
Sexy

I don't know why you want me  
Oh woman

You make me feel  
Sexy  
And after all this time  
I'm finally feeling fine

You make me feel  
Sexy  
I don't know why you want me  
Oh woman

You make me feel  
Sexy  
Ohh... I think  
I'd loose my mind
