

Life Is a Highway

Tom Cochrane

capo III

Life's like a road that you travel on
When there's one day here and the next day gone
Sometimes you bend and sometimes you stand

Sometimes you turn your head to the wind
There's a world outside every darkened door
Where blues won't haunt you anymore
Where the brave are free and lovers soar

Come ride with me to the distant shore

We won't hesitate
Break down the garden's gate
There's not much time left today

R: Life is a highway
I wanna ride it all night long
If you're going my way
I wanna drive it all night long

Through all these cities and all these towns
It's in my blood and it's all around
I love you now like I loved you then

This is the road and these are the hands
From Mozambique to those Memphis nights
The Khyber Pass to Vancouver's lights
Knock me down back up again

You're in my blood, I'm not a lonely man

There's no load I can't hold
Road so rough this I know
I'll be there when the light comes in
Just tell 'em we're survivors

R: (2x)

There was a distance between you and I
A misunderstanding once, but now we look in the eye

There's no load I can't hold
Road so rough this I know
I'll be there when the light comes in
Just tell 'em we're survivors

Life is a highway
I wanna ride it all night long
If you're going my way
I wanna drive it all night long
