

No Regrets

Tom Cochrane

Walking by the roadsigns
I see my fate wrote upon it
And I'm checkin' out the back end
Where my race is now run

You might hear a thousand harps
Of heaven rain down upon her
I cant stand and watch
While you stand accused

We got no
No regrets

We might have seen better times
But maybe we ain't been there yet
Remember the good times
And least you forget

We'd have no
No regrets

Sometimes you might find
Like you feel that your drownin'
Run for cover, like some blown out fuse

Remember one thing
That you file that number
You can call me up baby
You wont be refused

You'll have no
No regrets

We might have seen better times
But maybe we ain't been there yet
Remember the good times
And don't you forget

You'll have no
No regrets

After all the shit you know we been through it
There ain't a shovel big enough in the world
That could move it

We got no
No regrets

We might have seen better times
But maybe we ain't been there yet
Remember who you are
And don't you forget

You'll have no
No regrets

You'll have no

No regrets
