

# A Soldier For His Country

Tom Dice

I still don't know who I am  
The only thing I know is that my name is Sam  
And I wonder where I lived  
I remember a soldier and he's giving me a gift

And I'm bleeding  
I lay down in a hole all alone, without a meaning  
And I suffer  
Yet I'm still alive and I have nothing more to offer

Oh, I'm not scared, I am ready  
I release myself  
Oh, I'm not scared, I am ready  
I release myself

Shooting people, that's my duty  
I almost killed myself completely in fury  
And I'm not made for this  
The war is almost over, there's a light in the darkness

I feel guilty  
My family is standing, when it's over, I've been lonely  
I shoot a bullet through my head  
My pain will be over, and I'll be dead

Oh, I'm not scared, I am ready  
I release myself  
Oh, I'm not scared, I am ready  
I release myself

Oh, I'm not scared, I am ready  
I shoot myself  
Oh, I'm not scared, I am ready  
I shoot myself
