

# Heart For Sale

Tom Dice

I'm calling out, can anyone hear my voice?  
And I'm ready now to be loved  
I'm looking for a brighter day  
But time slips away

No I don't wanna hide, no I don't wanna cry alone  
Tonight, tonight, tonight  
And you don't wanna fight, but I just wanna find a spark  
I've got a heart for sale

I'm reaching out, can anyone see these tears?  
Lost in the crowd, I've had enough  
I'm so tired of living life afraid  
I guess time will never wait

No I don't wanna hide, no I don't wanna cry alone  
Tonight, tonight, tonight  
If you don't wanna fight, if you just wanna find a hold  
To try, tonight, tonight

Then open up your eyes, can't believe the signs  
No I don't wanna hide; I just wanna find a spark  
I've got a heart for sale

What would a heart normal stream, honest love is all we need  
It's second-hand, no guarantee, honest love is yours to keep
