

# Murderer

Tom Dice

This is who I am now, this is what they made from me  
I don't want to have these feeling, but I can't stop the present  
And I can forgive the past

I don't know what you want from me  
But I found my own way out  
So please stay away from me  
A little lady is not a part of my plan

You better run away from me  
'Cause I'm not that man that I used to be  
And I don't have to explain why I became a monster  
I'm a murderer, a murderer now

This is what I am now, the only thing that's left of me  
I don't want to be like this  
But I can't stop my actions and I can't forget the past

What do they really want from me?  
I became unstoppable  
So please stay away from me  
'Cause I don't want to hurt you and you can't help me

You better run away from me  
'Cause I'm not that man that I used to be  
And I don't have to explain why I became a monster  
I'm a murderer, a murderer now

You better run away from me  
'Cause I'm not that man that I used to be  
And I don't have to explain why I became a monster  
I'm a murderer, a murderer now

I'm someone else now  
I'm a criminal, my best days are back home  
And I don't know how I can't return now  
And my early habits, I'm a murderer, a murderer now

You better run away from me  
'Cause I'm not that man that I used to be  
And I don't have to explain why I became a monster  
I'm a murderer, a murderer now

You better run away from me  
'Cause I'm not that man that I used to be  
And I don't have to explain why I became a monster  
I'm a murderer, a murderer now
