

## It Ain't That Bad

Tom Helsen

Vivid as you are  
You're taking things too far  
I always thought  
That you were in control  
But no

Here is how it goes  
I want everyone to know that

All it takes  
Are one or two mistakes  
That drive you mad  
I have given everything I've got  
I'll take it back  
Looking out for no one  
But yourself  
It ain't that bad

The thing is I have grown  
I don't need to take this  
No more  
Excuses that will  
Only hunt you down  
Here is how it goes  
I want everyone to know
