

Night And Day

Tom Helsen

I gotta go
You know the drill
The cab won't wait
I'll call you soon
You know I will
I'm running late
And I,
Don't Like goodbyes
I never loved
I never cared for
Anyone but you
Everytime I close my heart
You feel it too
But I,
Can't say goodbye

Night and Day
I'll keep you waiting
All alone, all alone
Night and Day
I'll keep you waiting
All alone, all alone again
Alone again

In a room
I don't know why
I am hiding
Don't need to scream
Don't need to cry out
Don't need to tell you why
Don't like good byes

Night and Day
I'll keep you waiting
All alone, all alone
Night and Day
I'll keep you waiting
All alone, all alone again
Alone again

I'm turning in
It's 5 am
And I still wonder
How've you been
Are you ok
I should have called
But I,
Can't say good bye

Night and Day
I'll keep you waiting
All alone, all alone
Night and Day
I'll keep you waiting
All alone, all alone again
Alone again
