

A Daughter's Question

Tom Jones

Woman, I can remember a woman
Warm were her kisses and tender
Was she lying there in my arms

Why, why, did you deceive me so?
What devil inside made you go
When I needed you most of all

Oh daughter of darkness
Stay out of my life, my life
You took my heart and broke it apart
You daughter of darkness
Daughter of darkness

Please, leave me alone forever
Daughter of darkness, gone is the love
That we shared together

Heaven, we had our own kind of heaven
Sharing together the magic of love
In a world of our own

Then oh so suddenly you were gone
The love I depended upon disappeared
When you weren't away

Oh daughter of darkness
Stay out of my life, my life
You took my heart and broke it apart
You daughter of darkness
Daughter of darkness

Please, leave me alone forever
Oh devil daughter of darkness
Gone is the love that we shared together
Oh daughter of darkness
Stay out of my life, my life

You took my heart and broke it apart
You daughter of darkness
Oh, daughter of darkness

Stay out of my life, my life
You took my heart and broke it apart
You daughter of darkness

Daughter of darkness
Please, leave me alone forever
Oh, devil daughter of darkness
Gone is the love that we shared together
