

# A Daughter's Question

Tom Jones

Woman, I can remember a woman  
Warm were her kisses and tender  
Was she lying there in my arms

Why, why, did you deceive me so?  
What devil inside made you go  
When I needed you most of all

Oh daughter of darkness  
Stay out of my life, my life  
You took my heart and broke it apart  
You daughter of darkness  
Daughter of darkness

Please, leave me alone forever  
Daughter of darkness, gone is the love  
That we shared together

Heaven, we had our own kind of heaven  
Sharing together the magic of love  
In a world of our own

Then oh so suddenly you were gone  
The love I depended upon disappeared  
When you weren't away

Oh daughter of darkness  
Stay out of my life, my life  
You took my heart and broke it apart  
You daughter of darkness  
Daughter of darkness

Please, leave me alone forever  
Oh devil daughter of darkness  
Gone is the love that we shared together  
Oh daughter of darkness  
Stay out of my life, my life

You took my heart and broke it apart  
You daughter of darkness  
Oh, daughter of darkness

Stay out of my life, my life  
You took my heart and broke it apart  
You daughter of darkness

Daughter of darkness  
Please, leave me alone forever  
Oh, devil daughter of darkness  
Gone is the love that we shared together
