

# I Need Your Loving

Tom Jones

Love, love, gimme some love and make  
Love, love, gimme some love and make

Gimme me some love, I need your lovin'  
Gimme some hug, I need your huggin'  
Gimme some love, I need your lovin' bad

Gimme some kiss and gave it gladly  
Baby, I miss it, your lovin' badly  
So give me some lovin', I need your lovin' bad

Well, please tell me, baby, what I wanna know  
If you still love me then tell me so  
If you still want me, I'll be around  
Please, please, baby, don't let me down

Gimme some love, I need ya, honey  
Well, I got the car, I got the money  
So give me some lovin', I need your lovin' bad

Gimme me some love, I need your lovin'  
Gimme me some hug, I need your huggin'  
Gimme some love, I need your lovin' bad

Gimme me some kiss and give it gladly  
Baby, I miss it, your lovin' badly  
So give me some lovin', I need your lovin' bad

Well, please tell me, baby, what I wana know  
If you still love me then tell me so  
If you still want me, I'll be around  
Please, please, baby, don't let me down

Gimme me some love, I need your lovin'  
Gimme me some hug, I need your huggin'  
Gimme some love, I need your lovin' bad

Gimme me some kiss and give it gladly  
Baby, I miss it, your lovin' badly  
So give me some lovin', I need your lovin' bad

Well, please tell me, baby, what I wanna know  
If you still love me then tell me so  
If you still want me, I'll be around  
Please, please, baby, don't let me down
