

## If I Give My Soul

Tom Jones

Down a dangerous road, i have come to where i'm standing  
With a heavy heart, and my hat clutched in my hand  
Such a foolish fool, God ain't known no greater sinner  
I have come in search of Jesus, hoping he will understand

I had a woman once, she was kind and she was gentle  
Had a child by me, who grew up to be a man  
I had a steady job, til i started into drinking  
And i started making music that went with the devil's  
band

Oh the years flew by like a mighty rush of eagles  
My dreams and plans were all scattered in the wind  
It's a lonesome life, when you lose the ones you live for  
If i make my peace with Jesus will they take me back  
again

If i give my soul, will he cleanse these clothes i'm  
wearin'  
If i give my soul, will he put new boots on my feet  
If i bow my head and beg God for his forgiveness  
Will he breathe new breath inside me and give back my  
dignity

If i give my soul, will he stop my hands from shaking  
If i give my soul, will my son love me again  
If i give my soul, and she knows i really mean it  
If i give my soul to Jesus will she take me back again

If i give my soul to Jesus will she take me back again
