

# It's Just A Matter Of Time

Tom Jones

Someday, some way  
You'll realize that you've been blind  
Yes, darling, you're going to need me again  
It's just a matter of time

Go on, go on  
Until you reach the end of the line  
But I know you'll pass, you'll pass my way again  
It's just a matter of time

After I gave you every little thing I had  
You laughed and called me a clown  
Remember, in your search for fortune and fame  
What goes up must come down

I know, I know  
That one day you're gonna wake up and find  
That my love was a true love  
It's just a matter of time  
Just a matter of time
