## It's Just A Matter Of Time

**Tom Jones** 

Someday, some way You'll realize that you've been blind Yes, darling, you're going to need me again It's just a matter of time

Go on, go on Until you reach the end of the line But I know you'll pass, you'll pass my way again It's just a matter of time

After I gave you every little thing I had You laughed and called me a clown Remember, in your search for fortune and fame What goes up must come down

I know, I know That one day you're gonna wake up and find That my love was a true love It's just a matter of time Just a matter of time
