

# Key To My Heart

Tom Jones

Smile for me, and try not to cry now  
Wait for me, and I'll be home any day now  
I should have known, baby, right from the start  
That you hold the key to my heart

Think of me and know I've been wronged  
Can't you see that I've been gone too long  
Since I've been gone, the girls have been few  
But that key still belongs to you

I still remember the day I spent with you, love  
We loved and cared from the start  
You were so tender and knew what to do  
You got the key to my heart

Smile for me, and try not to cry now  
Wait for me, and I'll be home any day now  
I should have known, baby, right from the start  
That you hold the key to my heart

You hold the key to my heart  
Let me tell you, baby  
You hold the key to my heart  
One more time, baby  
You hold the key to my heart
