

Mohair Sam

Tom Jones

Well - who is the hippie that's happenin' all over our town?
Tearin' up chicks with the message that he lays down
Who is the coolest guy, what is, what am?
That's fast-talkin' - slow walkin' - good-lookin' Mohair Sam.

Chicks are makin; reservations for his lovin' so fine
Screamin' and shoutin' he's got 'em all waitin' in line
Who is the coolest guy, what is, what am?
That's fast-talkin' - slow walkin' - good-lookin' Mohair Sam.
