

## Mohair Sam

Tom Jones

Well - who is the hippie that's happenin' all over our town?  
Tearin' up chicks with the message that he lays down  
Who is the coolest guy, what is, what am?  
That's fast-talkin' - slow walkin' - good-lookin' Mohair Sam.

Chicks are makin; reservations for his lovin' so fine  
Screamin' and shoutin' he's got 'em all waitin' in line  
Who is the coolest guy, what is, what am?  
That's fast-talkin' - slow walkin' - good-lookin' Mohair Sam.
