

Never Tear Us Apart

Tom Jones

Don't ask me
What you know is true
I don't have to tell you
I love your precious heart

I, I was standing
You were there
Two worlds collided
And they could never tear us apart

We could live
For a thousand years
But if I hurt you
I'd make wine from your tears

I told you
That we could fly
Because we all have wings
But some of us don't know why

I, I was standing
You were there
Two worlds collided
And they could never ever tear us apart

I, don't ask me
I was standing, you know it's true
You were there, worlds collided
Two worlds collided, we're shining through
And they could never tear us apart

You don't ask me, you were standing
You know it's true, I was there
Two worlds collided, two worlds collided
We're shining through
And they could never tear us apart

I, don't ask me
I was standing, you know it's true
You were there, worlds collided
Two worlds collided, we're shining through
And they could never tear us apart
