

Since I Fell For you

Tom Jones

You made me leave my happy home
You took my love and now youre gone
Since I fell for you

Love brings such misery and pain
I guess Ill never be the same
Since I fell for you

Its so bad, its so sad
Im in love with you
You love me, then you snub me
But what can I do
Im still in love with you

I guess Ill never see the light
I get the blues bout every night
Since I fell for you
Since I fell for you
