## Since I Fell For you

## **Tom Jones**

You made me leave my happy home You took my love and now youre gone Since I fell for you

Love brings such misery and pain I guess Ill never be the same Since I fell for you

Its so bad, its so sad
Im in love with you
You love me, then you snub me
But what can I do
Im still in love with you

I guess Ill never see the light I get the blues bout every night Since I fell for you Since I fell for you
