

Situation

Tom Jones

Blue, I dress for every situation
Moving through the doorway of the nation
Pick me up and shake me out
Baby, I can't do without

Move out, don't mess around
Move out, you bring me down
Move out, how'd you get about?
Don't make a sound, just move out

I remember only for an hour
Move right through me, can you feel the power?
I don't know what's going on
It's getting me but it won't be long

Move out, don't mess around
Move out, you bring me down
Move out, how'd you get about?
Don't make a sound, just move out

Move out, don't mess around
Move out, you bring me down
Move out, how'd you get about?
Don't make a sound, just move out

Move out, don't mess around
Move out, you bring me down
Move out, how'd you get about?
Don't make a sound, just move out

Now he's in control he is your lover
Nation stands against him he's your brother
Been a long time, been a long time
Now I've got to give somehow

Move out, don't mess around
Move out, you bring me down
Move out, how'd you get about?
Don't make a sound, just move out, oh yeah

Well, well, well
