

# Some Peace Of Mind

Tom Jones

You see me on the street, well, you guess I'm doing fine  
Oh, but it's fantasy, baby, almost all the time  
I've got to get away by myself  
Oh, the way it's going, I'll soon be needing help

'Cause I'm just a man  
Doing the best I can  
Don't you understand  
I just want to find some peace of mind

You see me on the stage, doing my job  
I learn to do it well, keep on singing the song  
Oh, but sometimes it gets so lonely out there  
When you're on the road and you're going nowhere, nowhere

Because I'm just a man  
Oh, I ain't got no plans  
Baby, don't you understand  
I'm just trying to find some peace of mind

I have to stand in line, baby, when I'm in queue  
I got to do it all, just the same as you  
Got my doubts about it, oh, but you know I try  
You see I make it work with the tears in my eyes

Because I'm just a man  
Baby, I'm trying to do the best I can  
Don't you understand  
I Just wanna find some peace of mind, yeah

Oh, because I'm just a man  
I ain't got no plan  
Baby, don't you understand  
Got to get me some peace of mind

Yes, I got to find  
Got to find some peace of mind  
Got to, got to, got to, got to, got to  
Got to find some, some peace of mind

Baby, baby, baby  
Won't you give me, give me peace of mind  
I got to get some peace of mind  
Peace of mind, peace of mind

Peace of mind, got to get peace of mind  
Peace of mind, peace of mind  
Peace of mind  
Peace of mind
