Strange Things

Tom Jones

Oh, we heard church people say They are in the holy way There are strange things happening everyday Oh, the last man judgment day When they drive him all away There are strange things happening everyday Everyday (Everyday) Everyday (Everyday) There are strange things happening everyday Everyday (Everyday) Everyday (Everyday) There are strange things happening everyday If you want to view the climb You must learn to quit your lyin' There are strange things happening everyday If you heal right through the lies You can live right all the ties There are strange things happening everyday Everyday (Everyday) Everyday (Everyday) There are strange things happening everyday Everyday (Everyday) Everyday (Everyday) There are strange things happening everyday Jesus is the holy light Turning darkness into light There are strange things happening everyday He gave the blind man sight When he praised Him with all his might There are strange things happening everyday Everyday (Everyday) Everyday (Everyday) There are strange things happening everyday Everyday (Everyday) Everyday

(Everyday)
There are strange things happening everyday
