

The Letter

Tom Jones

baby, i'm writing this letter
we've been together
i'm yours and your mine
so let me tell you
i'll always love you
place noone above you
from now till the end of time
i am to proud to apologised for the things that i've done
so let us move on
to a better place
where we can chill and bage in the sun
under the moonlight
drinking sweet wine
dancing to the rhythm of the night

so, please except my inpatation

from all the pain that you've cause
