

The Loser

Tom Jones

Someone's got to win
Someone's got to lose
That the way it's got to be
I guessed that it's so
I'd really like to know
But why does the loser
Always have to be me?

Someone's love will last
Someone's love will end
It's as simple as "ABC"
It's not really new
Somebody has to lose
But why does the loser
Always have to be me?

I don't ask much
Just let lady luck touch me one time
And maybe then, I will bring back
The love that were mine

Someone's got to lose
And end up with the blues
But why does the loser
Always have to be me?

Oh, why does the loser
I mean, why does the loser
Oh baby, why does the loser
Always have to be me?
