

# To Make A Big Man Cry

Tom Jones

It only takes a little girl  
To make a big man cry  
She only has to take his heart  
Break his heart, telling him goodbye

To make a big man cry  
It's easy to do  
To make a big man cry  
Just tell him you're through  
And then, watch him cry

She's got the power to sink him  
In the winking of an eye  
She only has to shake it off  
And break it off, for no reason why

To make a big man cry  
It's easy to do  
To make a big man cry  
Just tell him you're through  
And then, watch him cry

(Yes, boy, it's easy to do)  
Watch him cry  
(Yes, boy, it can happen to you)  
Watch him cry  
(You know what he's saying is true)

Because it happened to me  
(Because it happened to me)  
Just take a look, you'll see  
(Just take a look and you'll see)  
I'm only part of the man  
Only half of the man, I used to be  
I know...

It only takes a little girl  
To make a big man cry  
She only has to lead him on  
And when she's gone, he'll just wanna die

To make a big man cry  
It's easy to do  
To make a big man cry  
Just tell him you're through  
And then, watch him cry

(Watch the big man cry)  
Watch the big man cry  
(Watch the big man cry)  
Just watch me cry  
(Watch the big man cry)  
Watch him cry  
(Watch the big man cry)
