

Traveling Shoes

Tom Jones

One, two
Oh One two three oh

Death went out to the sinner's house
Come and go with me
The sinner cried out I ain't ready to go
I ain't got no travelling shoes
Got no travelling shoes
I got no travelling shoes
The sinner cried out I ain't ready to go
I ain't got no travelling shoes

And the death went down to the gambler's house
Come and go with me
Gambler cried out I'm not ready to go
I got no travelling shoes
I got no travelling shoes
I got no travelling shoes
I got no travelling shoes
I got no travelling shoes

And then death went down to the preacher's house
Come and go with me
The preacher cried out "Lord, I'm ready to go"
I got my travelling shoes
I got my travelling shoes
The preacher cried out "Lord, I'm ready to go"
I got my travelling shoes

Got my travelling shoes
Got my travelling shoes
Got my travelling shoes
Got my travelling shoes
I got my travelling shoes
Got my travelling shoes
I got my travelling shoes
I got my travelling shoes
