

# What Good Am I?

Tom Jones

I must have been through about a million girls  
I'd love 'em and I'd leave 'em alone  
I didn't care how much they cried, no sir  
Their tears left me cold as a stone

Then I fooled around and fell in love  
I fooled around and fell in love  
I fooled around and fell in love  
I fooled around and fell in love

Used to be when I'd see a boy that I liked  
I'd get out my book and I'd write down his name  
But when the grass got a little greener on the other side  
I'd just tear out that page

Then I fooled around and fell in love  
I fooled around and fell in love  
I fooled around and fell in love  
I fooled around and fell in love

I was free, on my own, that's the way I used to be  
But since I met you baby, love's got a hold on me

I fooled around and fell in love  
I fooled around and fell in love  
I fooled around and fell in love  
I fooled around and fell in love

I fooled around and fell in love  
I fooled around and fell in love  
I fooled around and fell in love  
I fooled around and fell in love
