

## With One Exception

Tom Jones

I've seen lots of pretty faces in a million different places  
And it's hard for me to keep from doing wrong  
'Cause you're the cutest and the sweetest  
You always dress the neatest

With one exception and she's waiting at home  
If I let temptation fill me, I know your kiss would thrill me  
And how easy it would be to lead you on  
You're such a lovely girl, you're perfect for my world

With one exception and she's waiting at home  
Sometimes I almost cheated, after all I'm just a man  
Can't you see my world is wrapped  
Up in a golden wedding band

I'd beg steal or borrow  
And you'd be mine tomorrow  
With one exception  
And she's waiting at home

Yes, I'd beg steal or borrow  
And you'd be mine tomorrow  
With one exception  
And she's waiting at home
