

You're So Good For Me

Tom Jones

Today I opened up my eyes
And reached to touch your face
But found that you were gone.
Now the tears begin to show,
And now I think I know
What love can do.

Now I realise that baby you're so good for me,
Don't care what other people say,
They say that I could lose my heart,
I don't care, I don't care, feels so good
To have you lay down by my side
And baby it's so clear to see
That you're so good for me.

Oh yes, it was a San Francisco night,
The moments that we shared
Will haunt me constantly.
Oh, was this for real or just a dream,
I guess that love is never what it seems to be.

Now I realise that baby you're so good for me,
Don't care what other people say,
They say that I could lose my heart,
I don't care, I don't care, feels so good
To have you lay down by my side
And baby it's so clear to see
That you're so good for me.

Now I realise that baby you're so good for me,
Don't care what other people say,
They say that I could lose my heart,
I don't care, I don't care, feels so good
To have you lay down by my side
And baby it's so clear to see
That you're so good for me,
You're so good for me,
You're so good for me,
You're so good for me baby.
