Another Love

Tom Odell

I wanna take you somewhere so you know I care But it's so cold and I don't know where I brought you daffodils in a pretty string But they won't flower like they did last spring

And I wanna kiss you, make you feel alright I'm just so tired to share my nights I wanna cry and I wanna love But all my tears have been used up

On another love, another love All my tears have been used up On another love, another love All my tears have been used up On another love, another love All my tears have been used up

And if somebody hurts you, I wanna fight But my hands been broken, once too many times So I'll use my voice, I'll be so fucking rude Words they always win, but I know I'll lose

And I'd sing a song, that'd be just ours But I sang 'em all to another heart And I wanna cry I wanna learn to love But all my tears have been used up

On another love, another love All my tears have been used up On another love, another love All my tears have been used up On another love, another love All my tears have been used up

I wanna sing a song, that'd be just ours But I sang 'em all to another heart And I wanna cry, I wanna fall in love But all my tears have been used up

On another love, another love All my tears have been used up On another love, another love All my tears have been used up On another love, another love All my tears have been used up
