Walking on the rooftops Talking of times With our eyes a glowing Like the city lights She stands on the ledge, She says, 'it looks so high'

Long way down Feels like a long way down Feels like a long way down Like a long way down So honey don't leave, don't leave, Please don't leave me now

Cuz I can feel the rivers Winding through the lands Two lines, and a poet Like a kind old rye You know we could talk in that language Only we understand

It's a long way down You know it's a long way down Feels like a long way down Love it feels like a long way down So honey don't leave, don't leave, Please don't leave me now Tom Odell
