

Make The Moment Last

Tom Odell

How do you stop the summer air
from ever turning cold?
How do you stop the younger,
from ever growing old?
And how do you start tomorrows life,
taking from today?
And how do you stop the world from spinning
and make the moment stay,

Cause I don't wanna run,
I don't wanna lie,
I don't wanna sing and tell you why
I don't wanna know,
I don't wanna chase,
Just wanna make the moment stay

How do you stop the bottle i'm drinking,
from ever running out?
And how do I stop my mind from thinking,
and bringing me this doubt?
Yeah, and how do I stop tomorrow
taking from today?
How do I stop the world from spinning round
and make the moment stay

Cause I don't wanna run,
I don't wanna lie,
I don't wanna say, tell you why
I don't wanna know, I don't wanna chase
I just wanna make this moment stay
