Tom Paxton

E I Addie Addie O  
I found a peanut in the snow  
I took I out of the peanut shell  
It tasted very, very well  
Do you believe it? (No!)  
Do you think it's true?  
Has anybody ever told  
A taller tale to you? (No!)  
E I Addie Addie A  
I found an apple in the bay  
I fished it out and I rubbed it dry  
I baked it into an apple pie  
Do you believe it? (No!)  
Do you think it's true?  
Has anybody ever told  
A taller tale to you? (No!)  
E I Addie Addie Um  
I bought a piece of bubble gum  
I blew a bubble ten feet round  
I lifted me right off the ground  
Do you believe it? (No!)  
Do you think it's true?  
Has anybody ever told  
A taller tale to you? (No!)  
E I Addie Addie E  
A bullfrog married a bumble-bee  
A lovely family they had  
They built their hive on a lily pad  
Do you believe it? (No!)  
Do you think it's true?  
Has anybody ever told  
A taller tale to you? (No!)  
E I Addie Addie O  
I ran a race with a buffalo  
I had to take a buffalo pill  
I called that buffalo 'Buffalo Bill'  
Do you believe it? (No!)  
Do you think it's true?  
Has anybody ever told  
A taller tale to you? (No!)  
E I Addie Addie Oo  
I went to sea with a kangaroo  
We were very, very brave  
We simply hoped from wave to wave  
Do you believe it? (No!)  
Do you think it's true?  
Has anybody ever told  
A taller tale to you? (No!)  
Anybody told a taller tale to you? (No)
