

# I've Got A Yo Yo

Tom Paxton

I've got a yo-yo  
It's on a string  
I make my yo-yo  
Do anything  
Out on the playground  
Hours go by  
We never quit  
My yo-yo and I  
My friends and I meet every morning  
Before the morning school bell rings  
And everybody brings a yo-yo  
You can hear the humming strings  
We stand around in one big circle  
At the elementary school  
We do our tricks for one another  
But mostly we act really cool  
I've got a yo-yo  
It's on a string  
I make my yo-yo  
Do anything  
Out on the playground  
Hours go by  
We never quit  
My yo-yo and I  
If everybody had a yo-yo  
From Billy Joe to Marianne  
Then we could go to California  
And we could visit the Yo-Yo Man  
Then we could Walk the Dog together  
And we could do it on TV  
And all our moms and dads would see us  
How really cool I know we'd be  
I've got a yo-yo  
It's on a string  
I make my yo-yo  
Do anything  
Out on the playground  
Hours go by  
We never quit  
My yo-yo and I  
Oh, I've got a yo-yo  
It's on a string  
I make my yo-yo  
Do anything  
Out on the playground  
Hours go by  
We never quit  
My yo-yo and I
