

A Thing About You

Tom Petty

I'm not much on mystery
Yeah you gotta be careful what you dream
I thought this might pass with time
Yeah I thought I was satisfied

[Chorus:]

But oh baby let me tell you, I got a thing about you
Baby let me tell you, I got a thing about you
It don't matter what you say
It don't matter what you do
I, I, I, got a thing about you

Somewhere deep in the middle of the night
Lovers hold each other tight
Whisper in their anxious ears
Words of love that disappear

[Chorus]

Baby you hold some strange control over me
Yeah it's so wild it hypnotizes me

[Chorus]
