

All Mixed Up

Tom Petty

I'm all mixed up, I'm all mixed up about
All mixed up about you
Yeah, it's having the effect on me, pullin' and directin' me
I don't know what I'm gonna do

And no I can't find no reason
To explain the way that I feel
And I remember things being clearer
At one time the things were more real

Honey, I'm all mixed up, I'm all mixed up about
All mixed up about you
Yeah, it's having the effect on me, pullin' and directin' me
I don't know what I'm gonna do

Oh, I'm not lookin' for sympathy
Nor I'm just frightened by this apathy
Like footsteps way in back of me
On a narrow street of stone

I'm all mixed up about you
Baby, I'm all mixed up about you

And if time will answer all questions
Then perhaps a film will be shown
Everyone could mail-order tickets
Yeah, you could sell a lot of shirts for the last picture show

Baby, I'm all mixed up, I'm all mixed up about
All mixed up about you
It's like something is testing me, pullin' and directin' me
I don't know what I'm gonna do

Honey, I'm all mixed up, I'm all mixed up about
All mixed up about you
